Right?
That's not true.
'Cause, when we stay here, lots of people always come to play with us.
.....
By the way, I wonder if...

GASP
I wonder if I can peel it off nicely...
Everyone was struggling violently because of the pain that it becomes difficult.
Yeah.
Ah, That's right.
I guess I'll just snap your neck and throw it to Yuki.

Wanna see if onee-chan's neck can also do the same?
Owls can turn their neck up to 180 degree, wasn't it?

I wonder how many spin it'll take until it tears off?
